

CROWNE PLAZA®

MANCHESTER
CITY CENTRE

The Smithfield Suite at the Crowne Plaza Manchester City Centre is the largest function room in the hotel surrounded by a spacious private reception and break out area. The Smithfield Suite can cater for up to 200 delegates and offers a modern purpose designed room with high feature ceilings and contemporary decor. Floor to ceiling windows guarantees maximum natural daylight and our self controlled air conditioning system ensures your delegates stay alert for longer and your meetings are more productive.

The Smithfield Suite is the perfect space for a corporate or private dinner and our specialised menus have been designed to put the finishing touches to your event and offer a detailed selection of conference and private dining choices.

- Complimentary wireless internet access
- In room air-conditioning & climate control
- Natural daylight with floor to ceiling windows
- Black out available
- Private bar available for drinks reception/banqueting events
- Audio & visual equipment available on request
